Transferring to UGA® from another institution? Welcome to the Bulldog® family! Dawg® Camp Connect is a dynamic program built specifically for transfer students to adjust seamlessly into their new home. As implied by the name, participants will have the opportunities to connect with UGA®, connect with Athens, connect with valuable campus resources, and, most important, connect with one another. All this in order to enhance their networks on campus and their transition to the Bulldog® family before classes start in the fall. Next stop ... UGA®!

Dawg Camp Connect was one of the best experiences of my life. I feel that my transition was so much better because I had a chance to meet people who were in the same boat as me and I feel more connected to them.
