As a growing hub for innovation + entrepreneurship, the University of Georgia is home to programs + opportunities that promote big sky thinking and accelerate solutions for local + global issues. As a more intimate Dawg® Camp program, the Innovate experience offers the unique experience to launch big ideas and think beyond convention. Students will also visit Athenian eateries, explore thriving local businesses, and connect with community leaders as a way to learn about innovation and entrepreneurship!
Includes 4 nights and 5 days of lodging, meals, activities, and transportation during camp. Program costs including supplies and staffing are also included in this price.
